JAMES IMEL RECEIVES DEDICATION

The staff of the 1971 Forum is proud to dedicate the yearbook to James N. Imel.

Imel was born in Cleveland in 1933. His family moved to Gambier in 1936. At this young age, he was a mascot for the Kenyon College Swim team.

In high school, Imel was known as a rambunctious student. He was an all Central Buckeye League center for three years and achieved all-state honorable mention his senior year. He graduated in 1951.

From 1953-1955 he was with the Army stationed in Germany.

Imel received his B.S. degree from Ashland in 1959 and a Master's degree from West Virginia in 1966.

His teaching career started in Gambier in 1959. A year later he started his career at Mount Vernon High School. In his career he has been known as the Senior Social Studies and Geo-politics teacher. He has also been known as an ex-swim coach, ex-football coach and ex-FTA advisor. He presently is known as the operator of the football and basketball scoreboards and the instigator of team-teaching. He also has been issued a principal's certificate by the state department of education.

Having a gruff appearance, he is respected by teachers and students for being clear-headed, fair-minded, an agitator, sincere, a fighter for his convictions, and a truly professional teacher.

Below: Mrs. Mary Lou Imel, Barb, James Imel. Back: Jamie, Kim.

Daily encounters.

A swarm of teenage life in the halls, between classes,
before and after school.

Person meeting person, knowing and sharing, like the
multitudinous echoing ripples in a constant sea of
humanity . . .

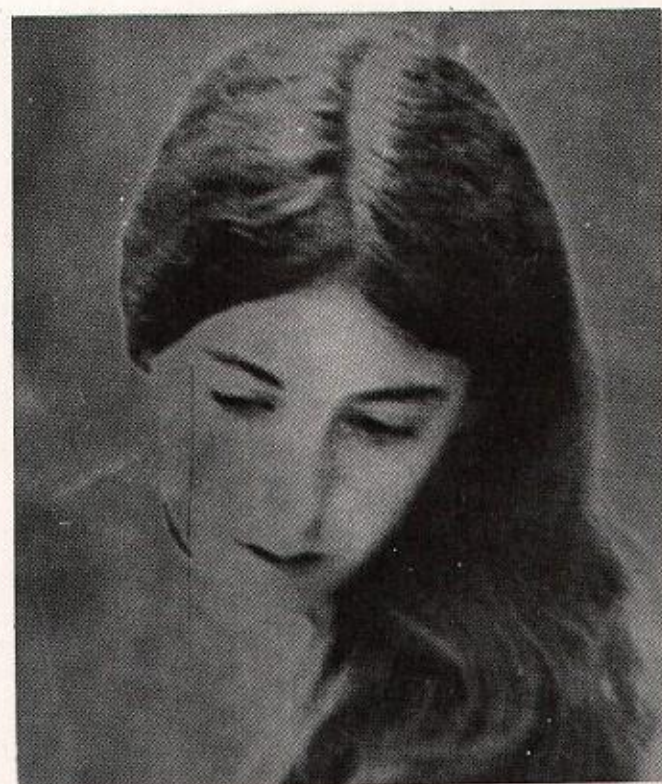

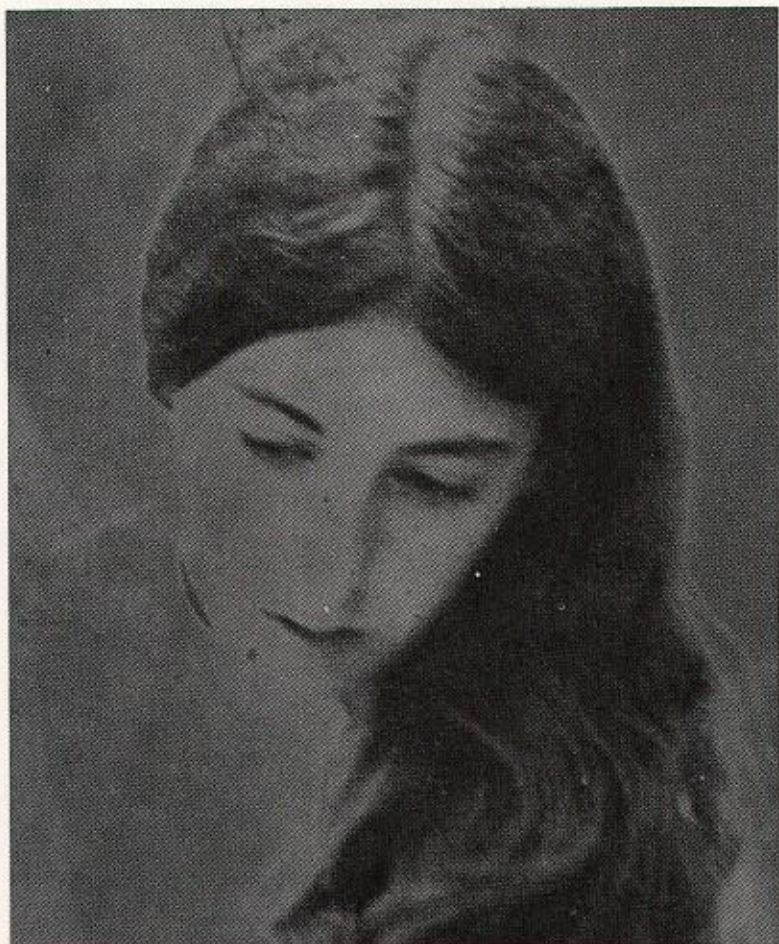

ECHO

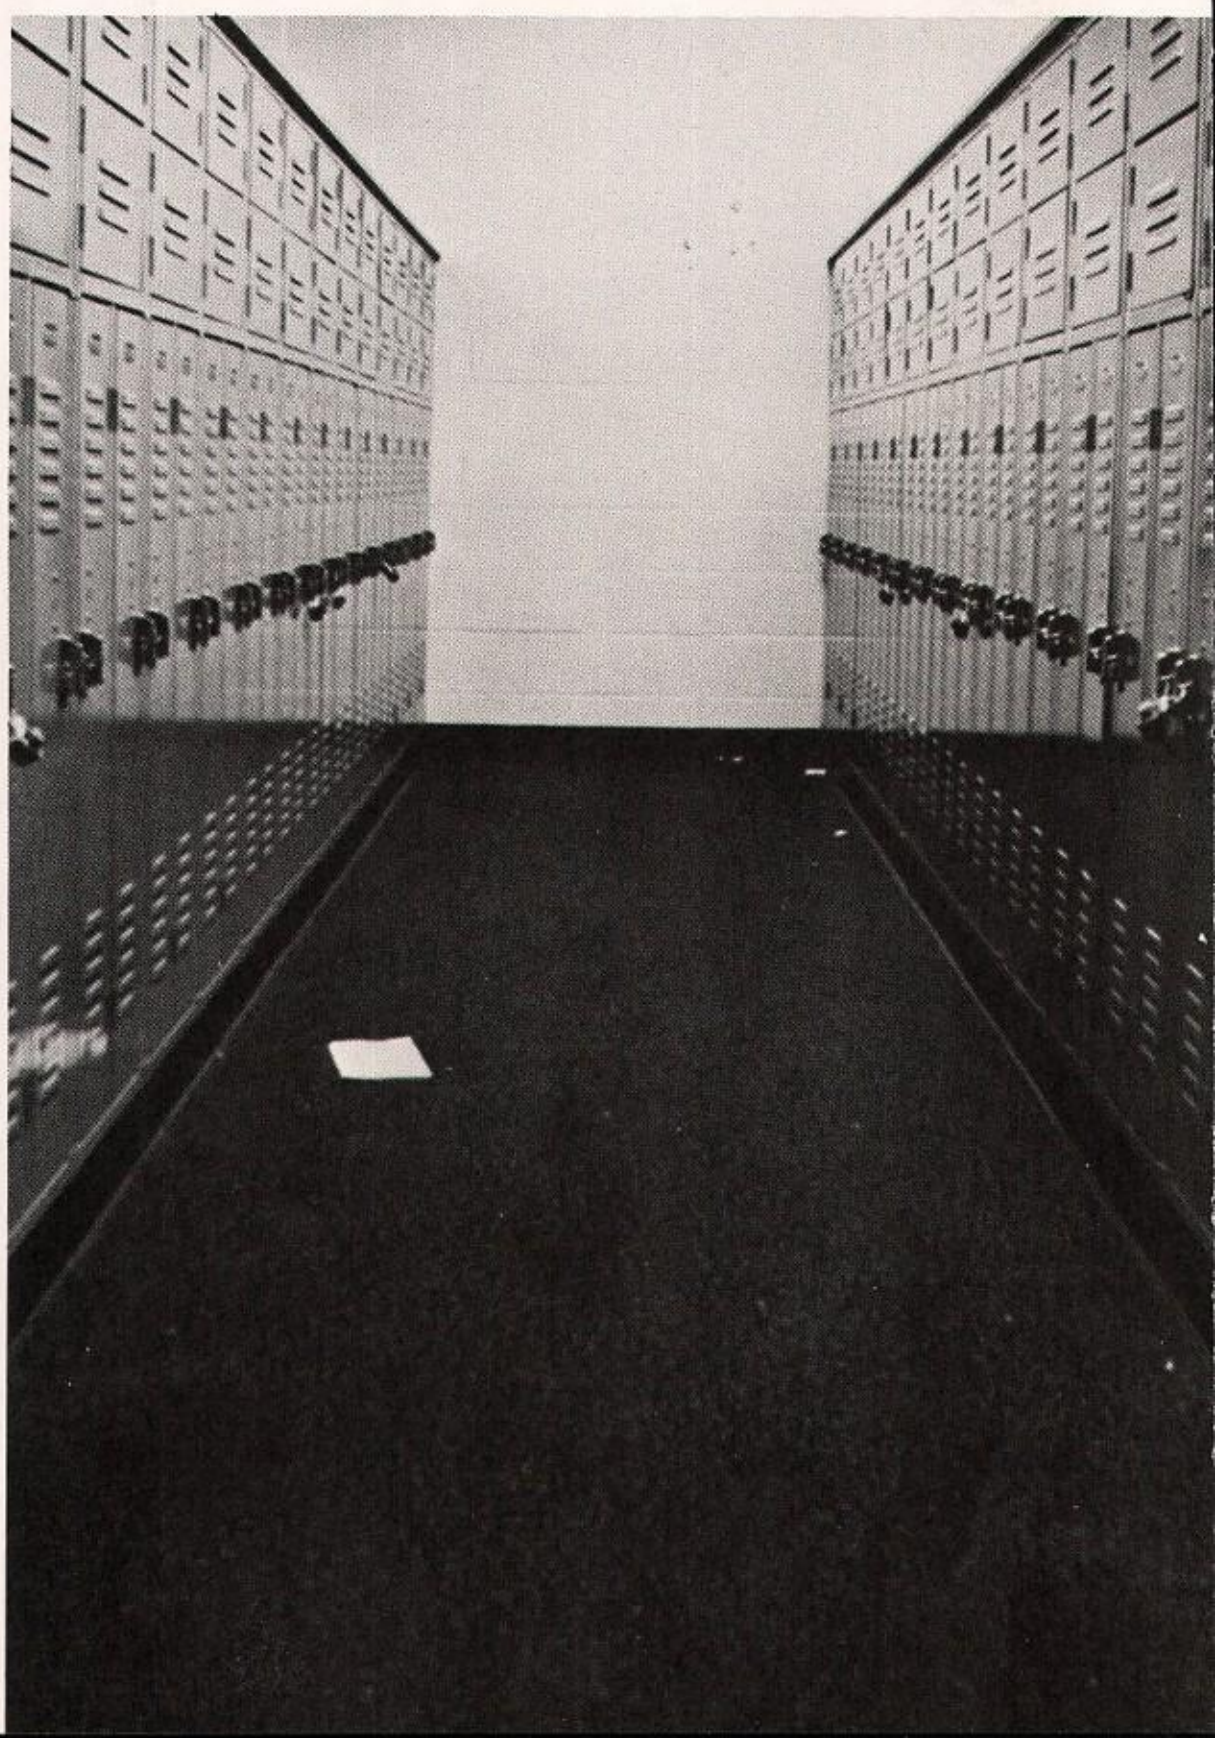

Echoes of success. Echoes of failure. The echo of voices saying do . . . do . . . do . . . don't do. Contentment. Frustration. The path to the outside world awaits.

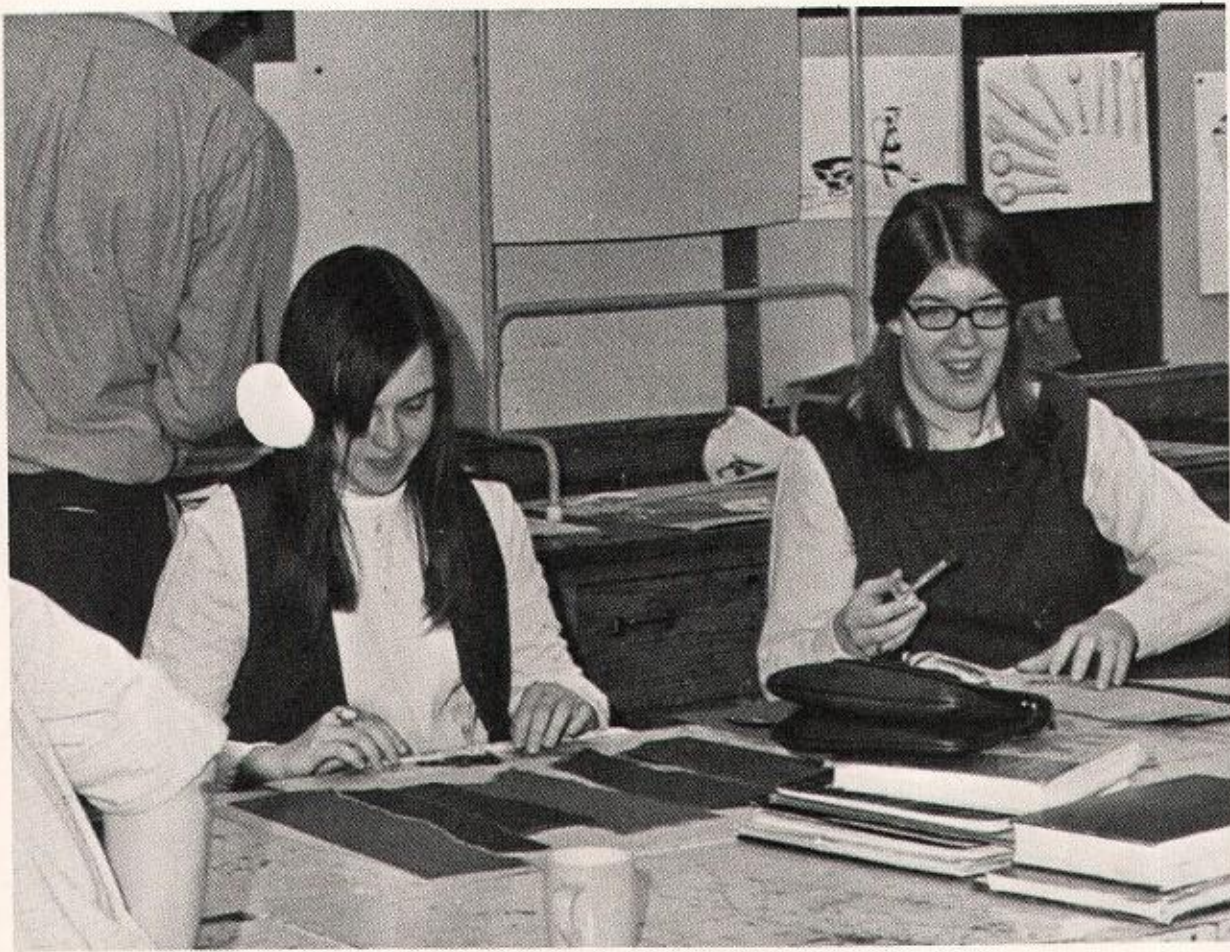

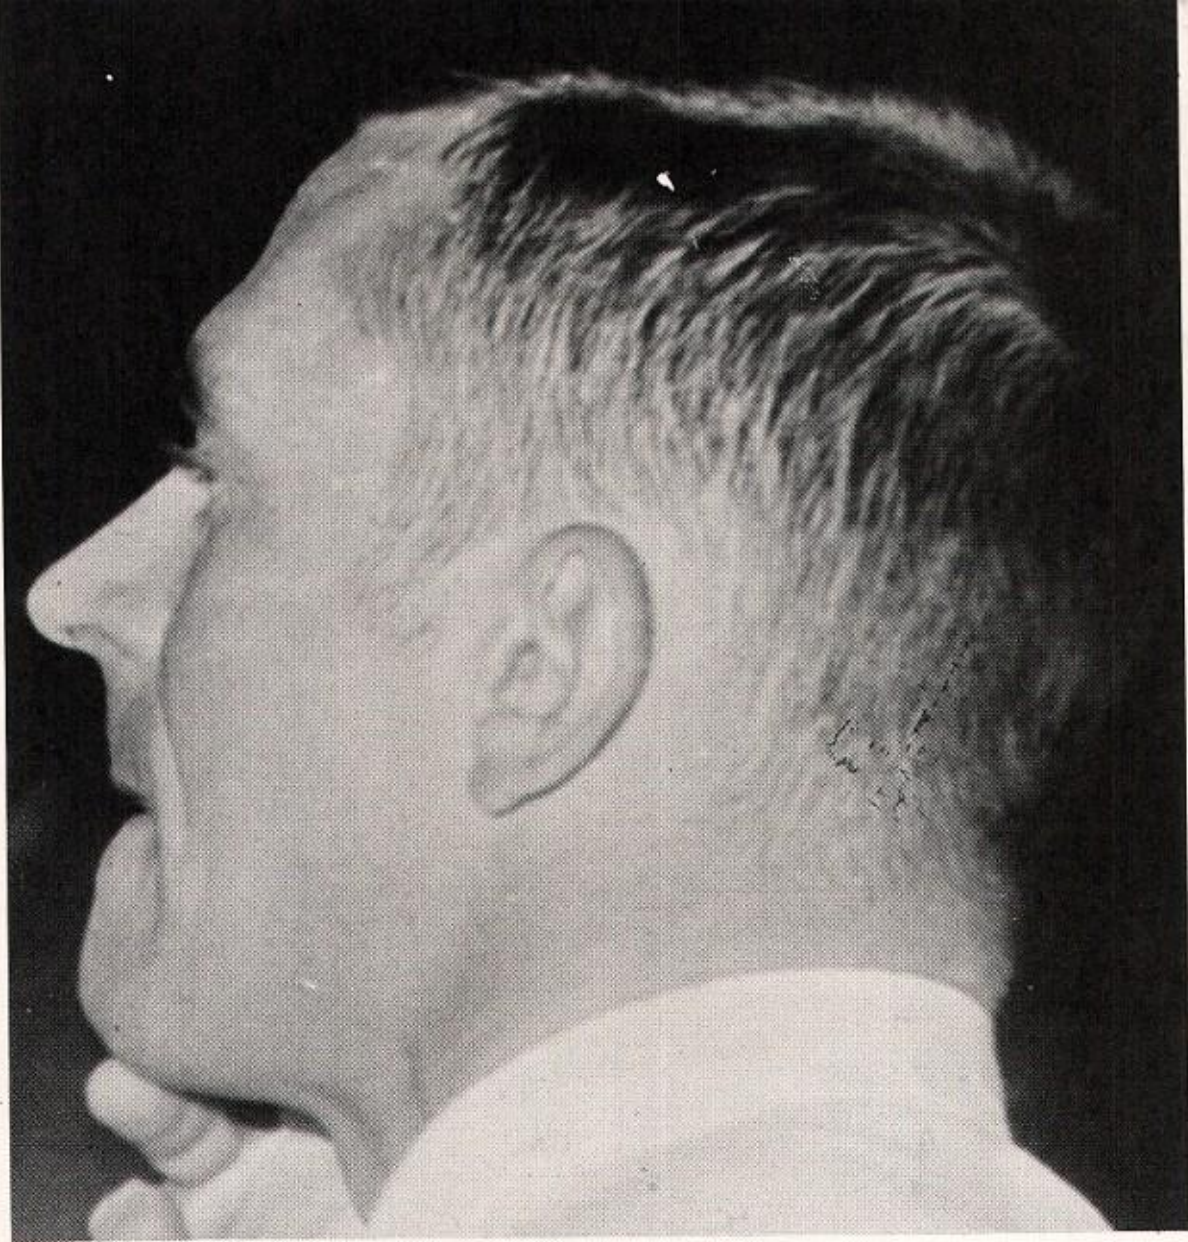

Activities: Join . . . apply . . . elect . . . try-out . . . hope . . . participate . . . watch . . . it's all the same. The echo of experiences . . . good and bad. An identity for some — security and recognition. An exercise of ability for others — knowledge and enjoyment. The activities continue to echo year after year.

Studying . . . the lonely task: Outline . . . memorize . . . answer, or, understand . . . explain . . . create. A privilege to some — needed and wanted. An obligation to others — required and forced. The results (what is learned) will echo year after year . . . after year . . .

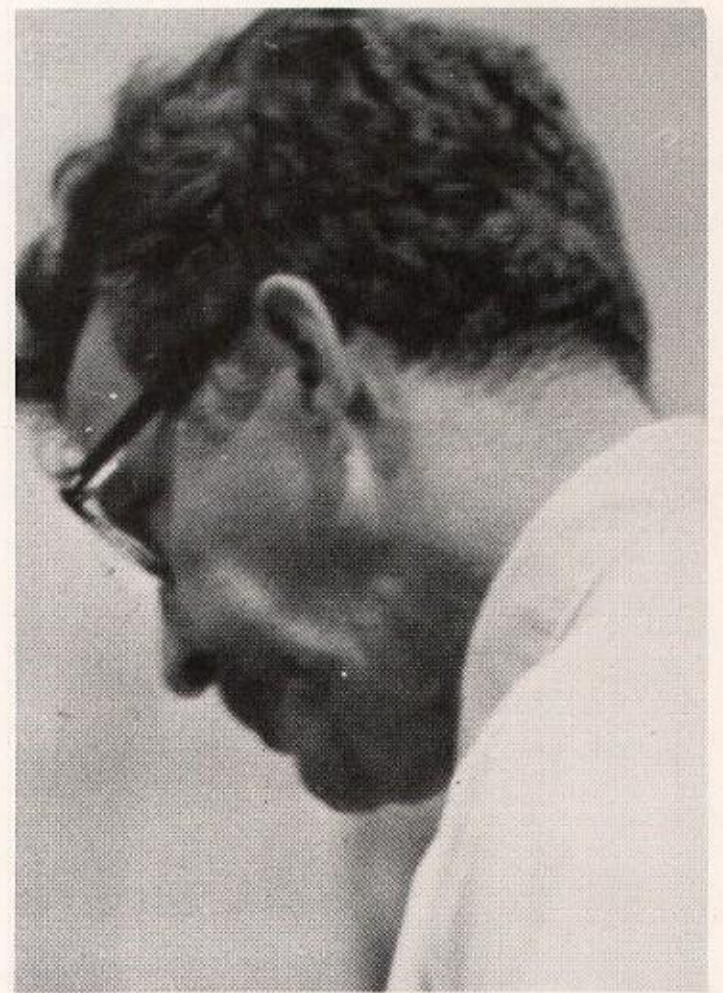

To follow the old or live with the new: listen to the echoes and choose . . .

“IN MEMORY OF ROGER LEE WALTON”

President of M.V.E.A. 1957-58

by Harold Highman, Teacher,
Senior High School

What can be said of a man who gave most of his adult life to teaching high school young people?

The cynic would say that it was a job for which he was paid. The idealist would say that he taught because of a desire to help mold the future. Both of these statements are partially true.

However, those of us who knew Roger Walton would say that this honest, dedicated man taught because of his keen interest and grave concern for today's youth.

His patience and willingness to spend extra time with those who could not quite keep up was matched by his challenges to the gifted student.

They say that Roger Walton is dead. Not so. Nor will he be as long as one student reminisces,

“I remember Mr. Walton saying . . .”

HIGH SCHOOL ADMINISTRATION

Mr. James Gastin was in his first year as our school principal after a distinguished career at New Philadelphia High School and junior high principal at Logan.

Mr. Gastin guided the school through the North Central Association accrediting situation, adjustments to the building and curriculum, and interpretations of school rules.

PRINCIPAL JAMES GASTIN

GUIDANCE STAFF

This year, as in prior years, guidance underwent reorganization. One on one situation — one counselor for one grade level — enjoyed success as students knew who to see for individual attention.

Rookie counselor Richard Thatcher managed the freshmen. Nancy Stillwell helped the sophomores. Robert Cassidy pushed juniors and Robert Thomson guided the seniors.

Counselors served as activity backers, pepper-uppers, listeners of tearful woes, schedulers, critics, grade checkers, career makers, career unmakers, testers and an excellent source for school, community, career and personal information.

LIBRARY STAFF

The multi-media center, known as the library by dated members of the faculty, was the primary responsibility of Mrs. Valeska Nicholson.

Instituting new rules and regulations, Mrs. Nicholson and her assistant, Mrs. Donna Curran, worked towards new innovations for the multi-media center, such as, being admitted at select times to the library without a passport and greater utilization of all the conference rooms.

This year more classes seemed to use the wonderful resources of the center and the conference rooms. The faculty expanded ideas on individual and independent research in various subject areas.

Robert Thomson (center) talks with John Heinlein and another Junior Achievement advisor.

ENGLISH DEPARTMENT STRIVES FOR FLEXIBILITY, CURRICULUM CHANGES

"Ah, the pain!" Miss Marble said after hearing a student reciting poetry.

This year the English Department began a study to have the entire English curriculum placed on an elective basis.

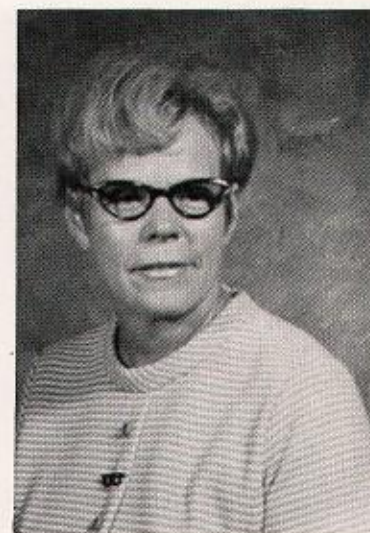

Spearheaded by Chairman Don Bower, the idea of the elective semester courses was considered to give flexibility to the curriculum. Another stimulation for the change was the idea of motivating students because students would have a wide range of electives.

Since the department realizes such a change would take time and deliberation, the changes are aimed for the future.

New teachers to the department this year were Gene Bragg in English 9, Patricia Henderson in English 9 and James Ferris in English 9, 10, 11.

LANGUAGES STRESS CULTURAL ASPECTS

The language department under the chairladyship of Mrs. Mary Lou Goodson increased understanding of each country's language and culture.

This year the department made greater use of the language laboratory and multimedia center.

Mrs. Suzanna Parrish joined the department as a half-teacher. Mrs. Mary Ogi did time in the English department.

GUY VAN NOSTRAND

The ever-changing Social Studies department under the Chairmanship of James Imel continued to investigate new fields of teaching and student involvement.

A new Grade 9 Social Studies course was begun this year. It was taught by first year teacher Paul Piffer. Team-teaching consolidated its efforts and William Odroneic instructed from a packet of materials he had organized in co-operation with the Ohio Council on Economic Education. Ralph Rice and Guy Van Nostrand stressed the idea of independent study in certain aspects of their course. Martin Peterson served as a Economics Seed Co-ordinator for the Mount Vernon City Schools.

Another addition to the department was Robert Benson in American History.

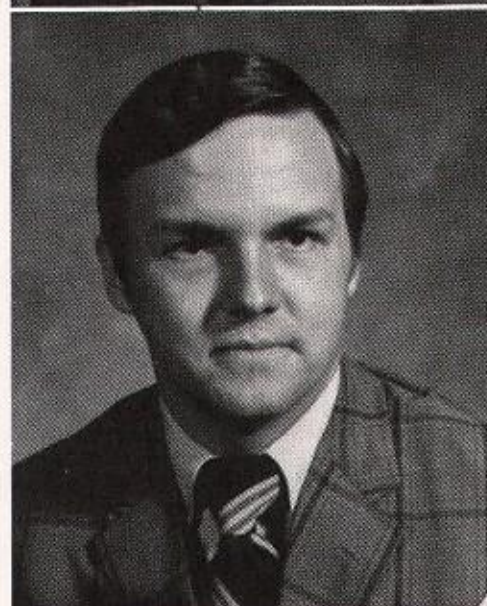

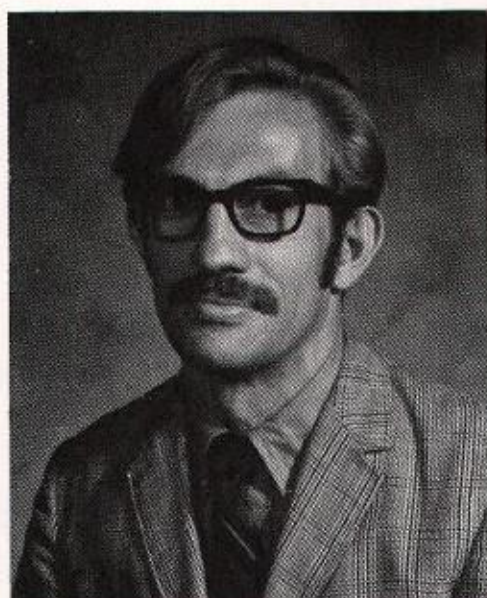

The Senior Social Studies workroom is the storeroom for books . . . books . . . and more books!

OBSERVATION IS THE KEY TO KNOWLEDGE

All the science students learn that observation plus careful experimentation lead to wider horizons in all the sciences. The science teachers stress independence while practicing a scientific method.

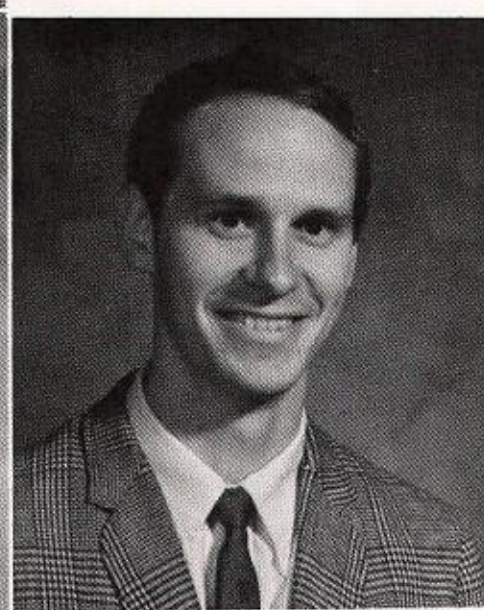

New teachers include John Wagner, John Cleland, George Counter, and Charles Hill. Mr. Thomas Myser replaced the late Roger Walton.

Department pundit is Nick Houston.

MATH STRESSES DISCIPLINED THOUGHT

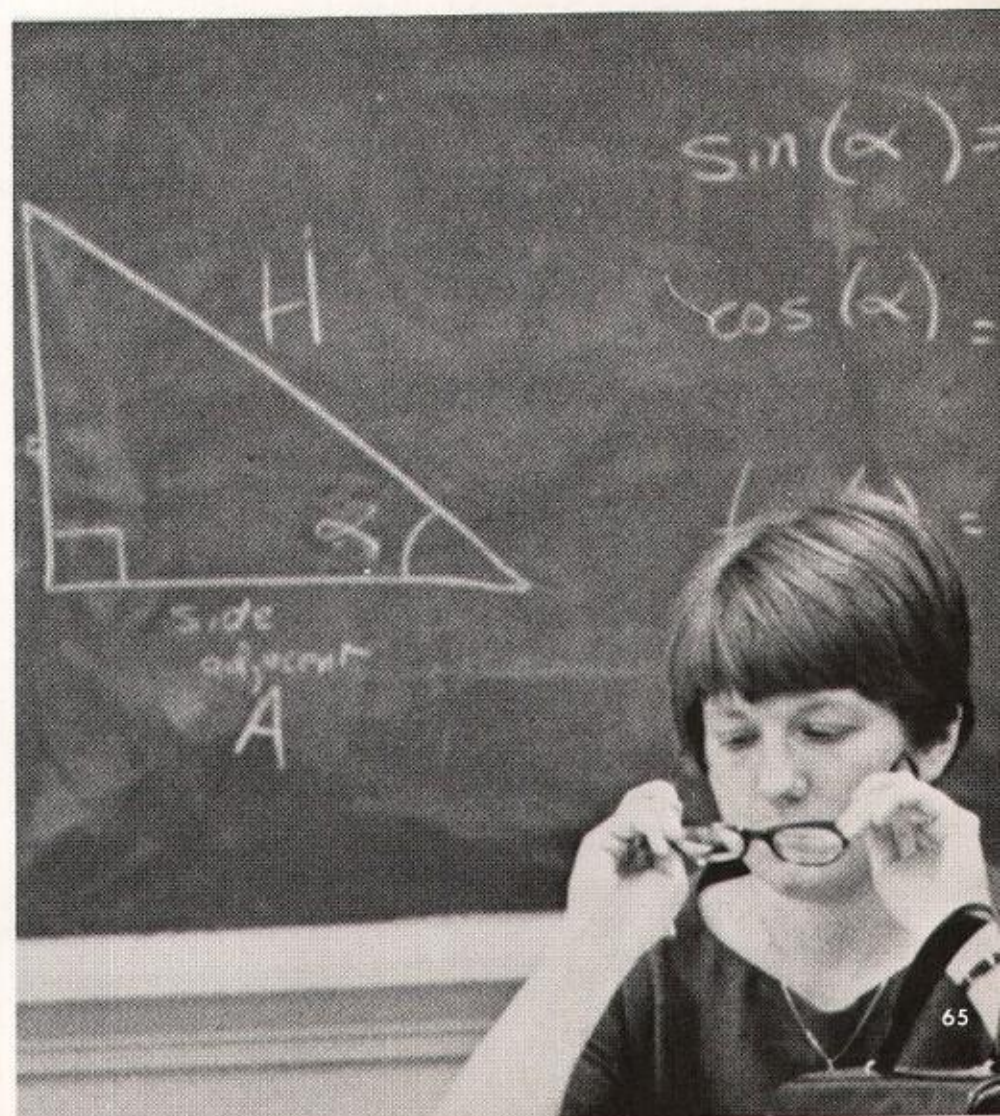

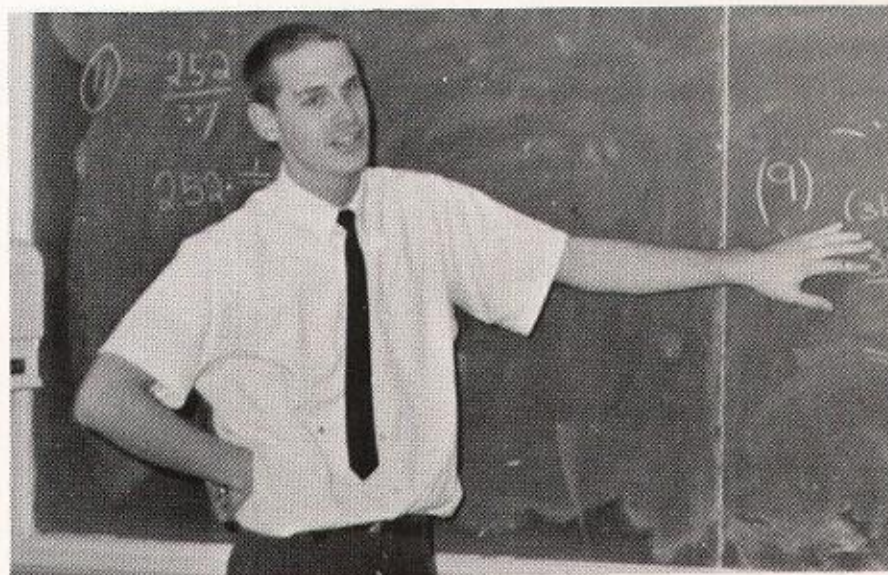

This year the mathematics department continued the goal of sincere disciplined thinking as the prime purpose.

Three new teachers were added to the department this year with Peter Holguin, Leslie Holmes, and Stephanie Brandon.

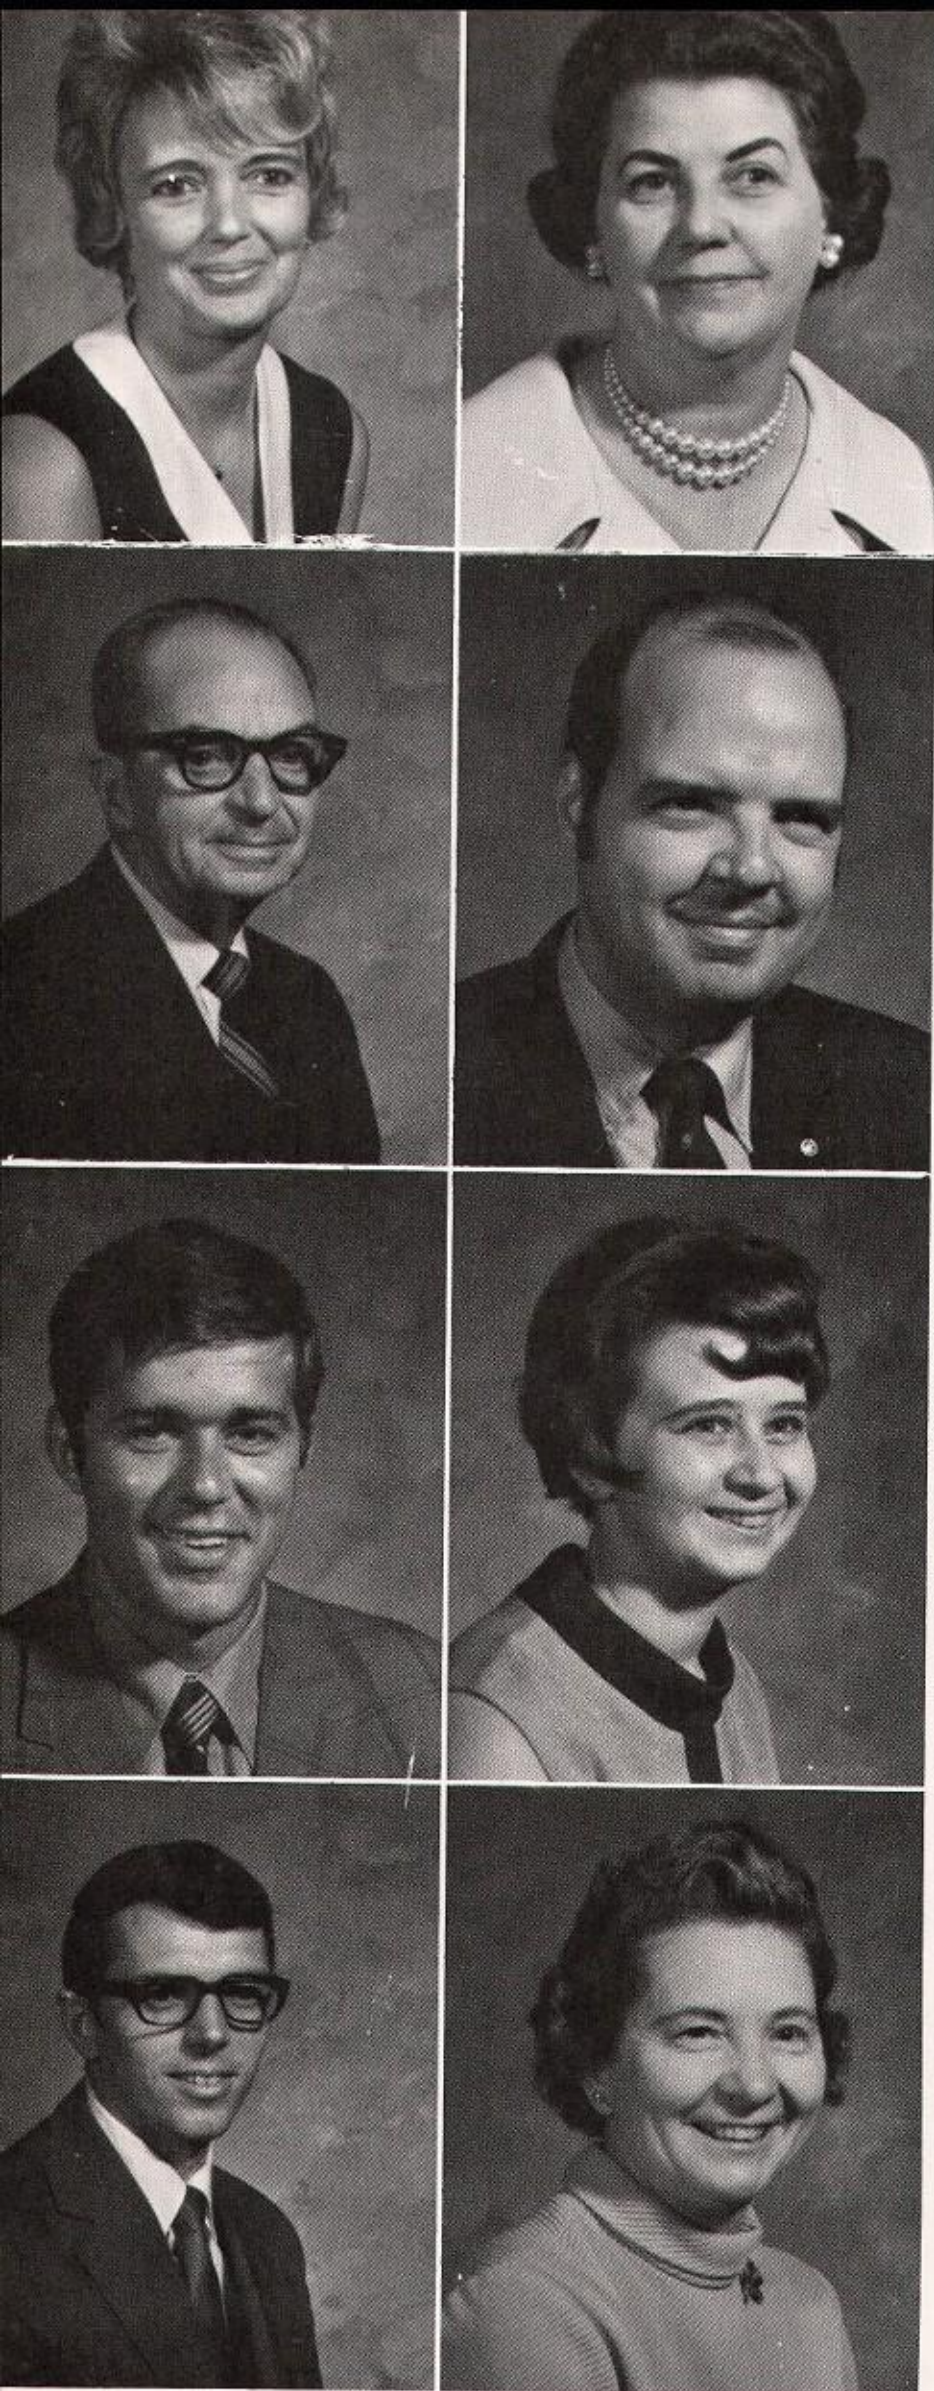

Math seminars, a super-refresher course, in mathematics, gained in popularity. It is in its third year.

Besides the stated goal above, the department put a new stress on individual instruction.

BUSINESS STUDENTS RECEIVE PRACTICAL EXPERIENCE

The Business Department of the high school gives students a chance to learn numerous skills associated with the business world.

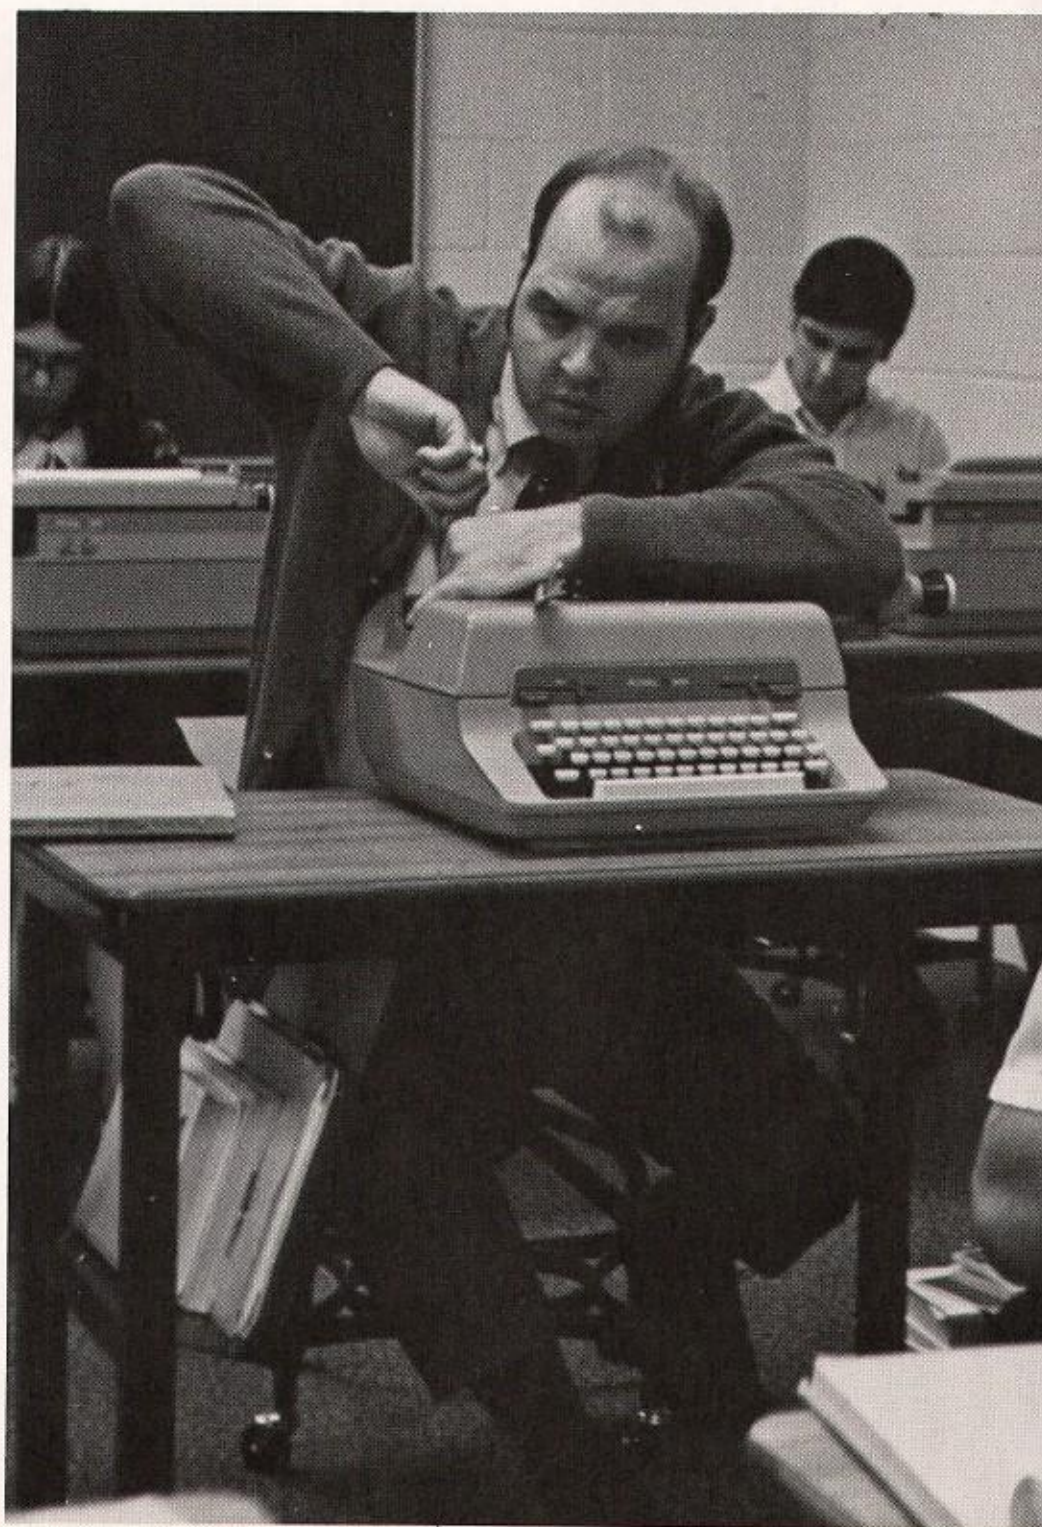

Course selections include business math, typing, shorthand, general business, business law, bookkeeping, filing and office machines.

This year Nancy Scott and Alan Snode joined the business department.

The Business Department continued to be the largest department to offer elective subjects.

Office training was stressed in the Business Office Education Course.

Noah Hinton attempts to extricate his thumb from a typewriter.

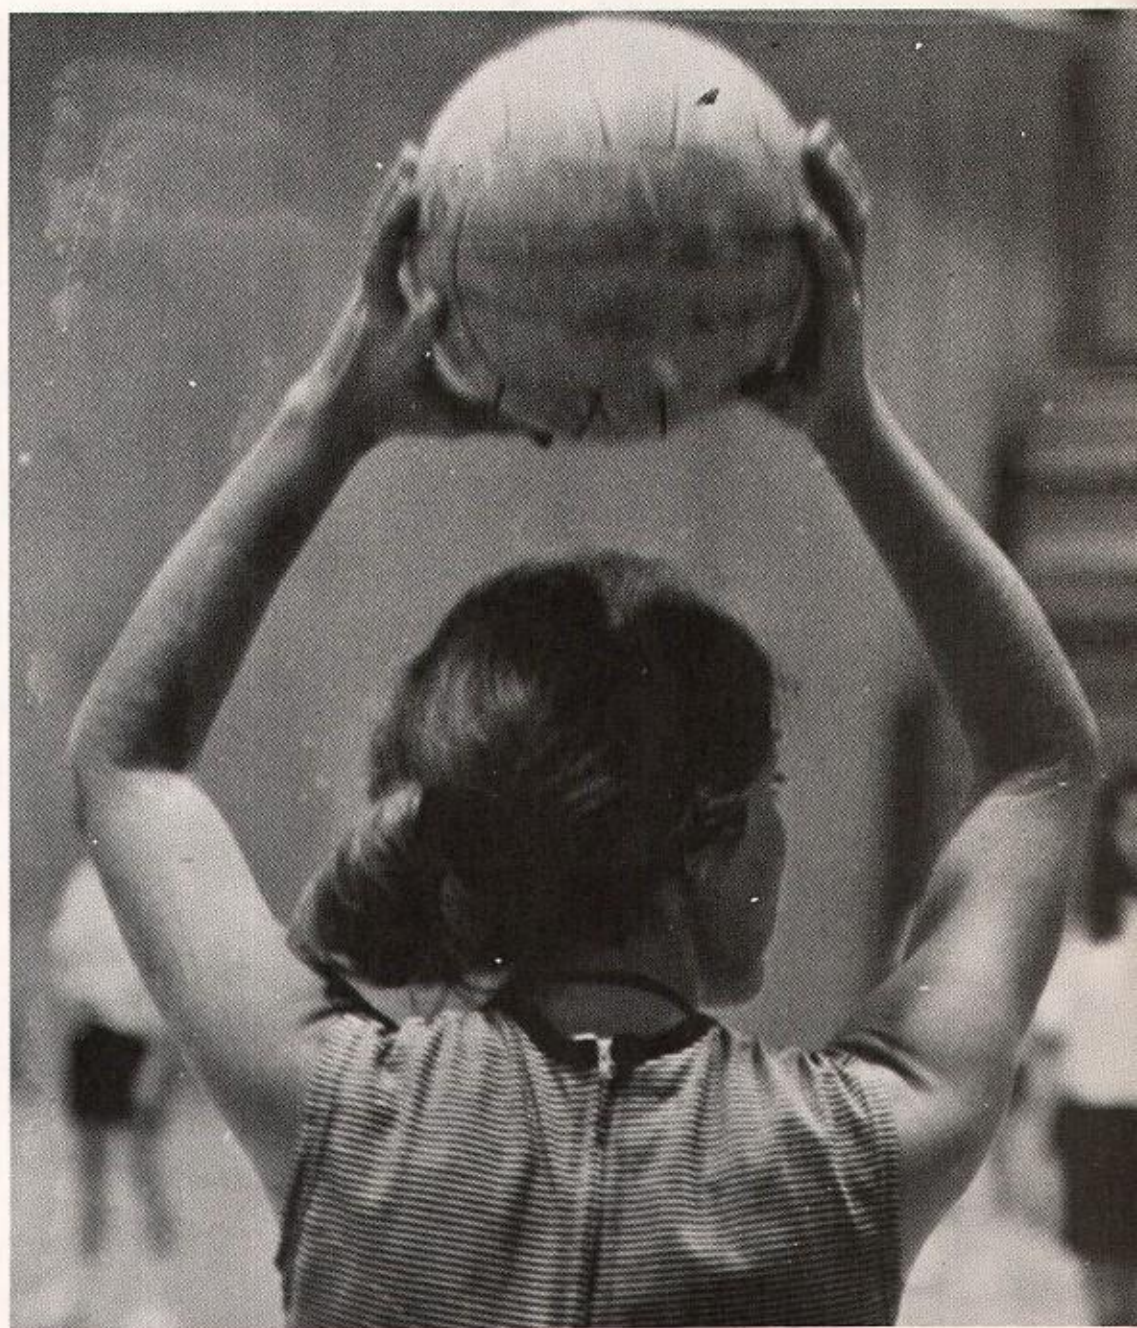

PHYSICAL EDUCATION STIMULATES SPORTS ACTIVITIES, EXPERIENCE

Physical Education stimulated and motivated students to enjoy physical advancement by showing and sharing various activities and experiences in the sports.

Mrs. Linda Ellis instructed girls physical education with help from Mr. Del Cornwell; Cornwell also taught boys physical education. Tommy Thomas was around to inspire confidence in the young men of our school.

Health continued to study the human mind and body and the problems relating to them.

The school nurse works in close conjunction with the health and physical education departments.

DRAMA CLUB HAS ANTI-CLIMATIC YEAR

The Drama Club had a smooth year, about as smooth as skiing down Gay Street on July 4.

Now for the melodrama:

The club did supply the manpower and women power for the first play this year. Act I: the first play, "The People Next Door" was well attended and received by the audience.

Then, the plot thickened, Act II: The kiddies play and the "Hobbit," which were to bring elementary students into the auditorium and money into the treasury were canceled because of production difficulties. Act III "Harvey," the junior class play was shelved because only three people tried out. One reason might be because the club was not responsible for casting.

Not to be withdrawn or depressed the club rallied around the motto "the show must go on" and impressed many with their one-act play exhibition night.

When the club did meet, various speakers visited. One example was a presentation of a one-act play.

The club has true grit and nobility.

Officers Ann Finkbeiner, Bev Burdette, Sarah Longaker, and Ellen Clark, were business managers, bookstore managers, and sales and publicity managers, respectively.

The entire staff, under advisor Kathryn Dunham, worked well in operating the bookstore during lunch and study periods, and in collecting and editing literary submissions from students and staff members.

Meetings were held Monday afternoons at 3:00 in Room 247, when manuscript editing and business affairs were taken care of.

STUDENT COUNCIL ACHIEVES NEW ATMOSPHERE

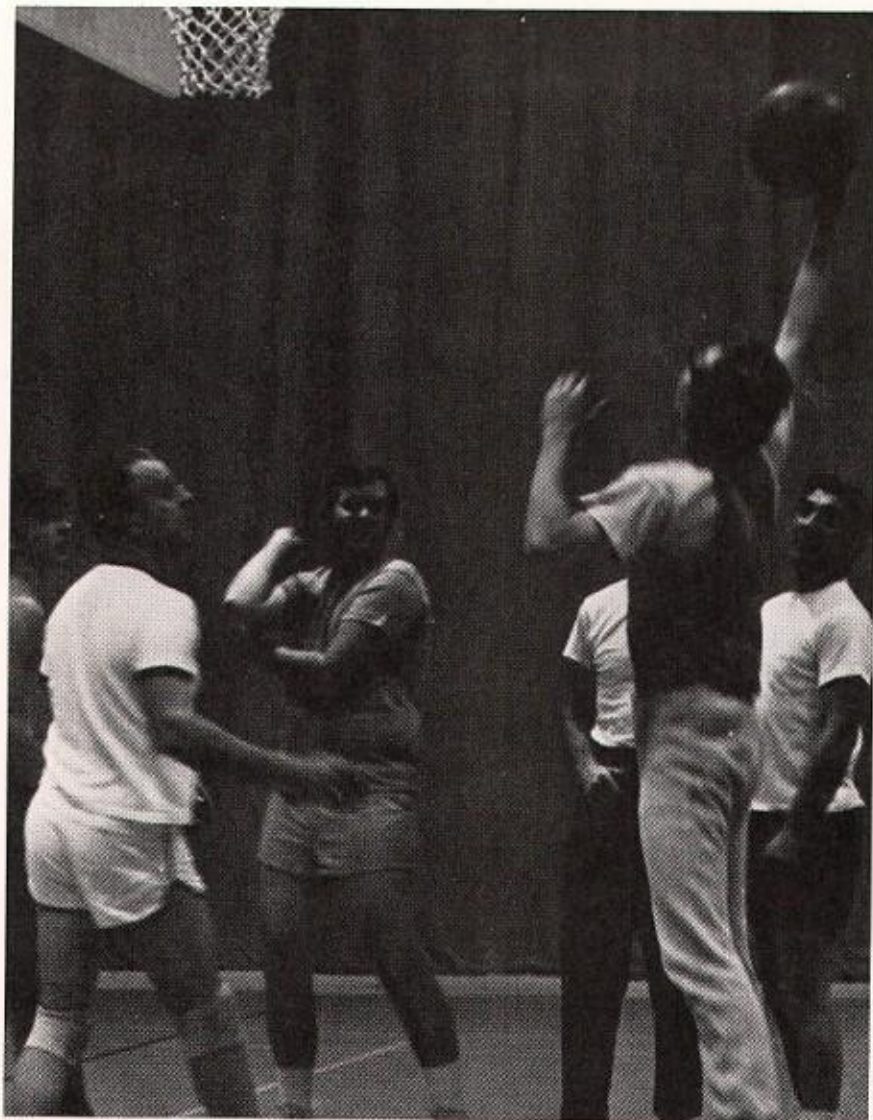

This year the Student Council achieved a new atmosphere by concentrating on more governmental power.

Under the direction of new advisor, James Thatcher, and officers — President, Don Bouchard; Vice-president, Skip New; Secretary, Kim Imel; and Treasurer, Barb Braddock; and the club moved to motivate a new direction for council in the affairs of the school.

Projects included an idea of Pep Club taking over Homecoming, sending a council representative to Board of Education meetings, conducting various elections, and replacing Linda Strausser's hula hoop.

Money raised by selling pins, pennants, pencils, and decals will be used to help the athletic department in some concrete manner.

Leading the club this year were: Jim Dunham, president; Dave Engle, vice-president; and Annie Devoe, Secretary-Treasurer. Mr. Alan Helser once again was the advisor for the organization.

Mount Vernon can be very proud of its marching band. Every year competition between high school bands becomes keener and Mount Vernon's always right on top.

The band plays at all football games, marches for special occasions and supplies members for the pep band at basketball games.

Mr. Robert Bechtel is the Band's director with Mr. John Stauch as assistant director.

Tryouts are held the last six weeks of school.

Every year three weeks in August are dedicated to Band Camp at Kenyon College. This camp stresses fundamental learning new shows, and the discipline of band members.

This year's first all school play was entitled "The People Next Door."

The play dealt with one of the most controversial problems of today — drug usage. Probably this was the hardest hitting play ever presented by the high school. It demonstrated what the generation gap can do when a problem must be dealt with by both parents and their children.

Diane York played the part of Gerrie Mason, mother whose daughter, played by Sarah Longaker, has been on drugs. Kevin Willmering plays Arthur Mason, the father.

JACKETS HAVE 4-5 SEASON

Right to Left, First Row: Jim Wurtz, Chris Herald, Geoff Edick, Doug Lauer, Mark Leonard, Bob Tier, Rick Dennison, Denny Hunter, Rich Ornage, Scott Dailey, Chuck Ransom, Bob Stull, Terry Daniels, Roger Frye, and Mark Deakins. Second Row: Joe Bernicken, Eric Seckinen, Ken White, Mike Fair, Mike Abell, Barry Cockerham, Glenn Morse, Galen Smith, Charlie Mantel, Mike Laughery, Denny Grubaugh, Rick Fannin, Charlie Culbertson, Joe Hall, Dave Gorsuch, and Yale Cline. Fourth Row: Managers Doug Schmidt, Jeff Shutt, Head Coach Tom Frazier, Assistants, Chuck Hill, Bob Benson, Al McQuigg, Randy Clements, Dale Dickson, Richard Sleeman, Bob Daily, and Jack Mowery.

A young, generally inexperienced team made a big step forward in Coach Tom Frazier's rebuilding program in Mount Vernon Football by posting a surprising 4-5 season and a fifth place finish in the Ohio Capital Conference.

The Yellow Jackets were both small physically in size and depth. This point was collected in the fact that outside of the route by Worthington, Mount Vernon was in every game going into the second half.

By the luck of the schedule the Jackets got off to a fast start at 3-2 then ran into a buzz saw in Delaware, Westland, and Westerville on consecutive weekends, they were the leaders. A satisfying 22-18 win at Gahanna gave the season a happy

end and promising outlook for next year.

The Jackets offensively were lead by Junior Chuck Ransom who picked up nearly 800 yards at halfback. Others Junior backs who showed promise and will be ground next year are Denny Hunter, Joe Hall, Mike Abell, and Chris Herald. Sophomores Dave Gorsuch, Yale Cline, and Jeff Whetsel appear to have important parts in future plans in the backfield.

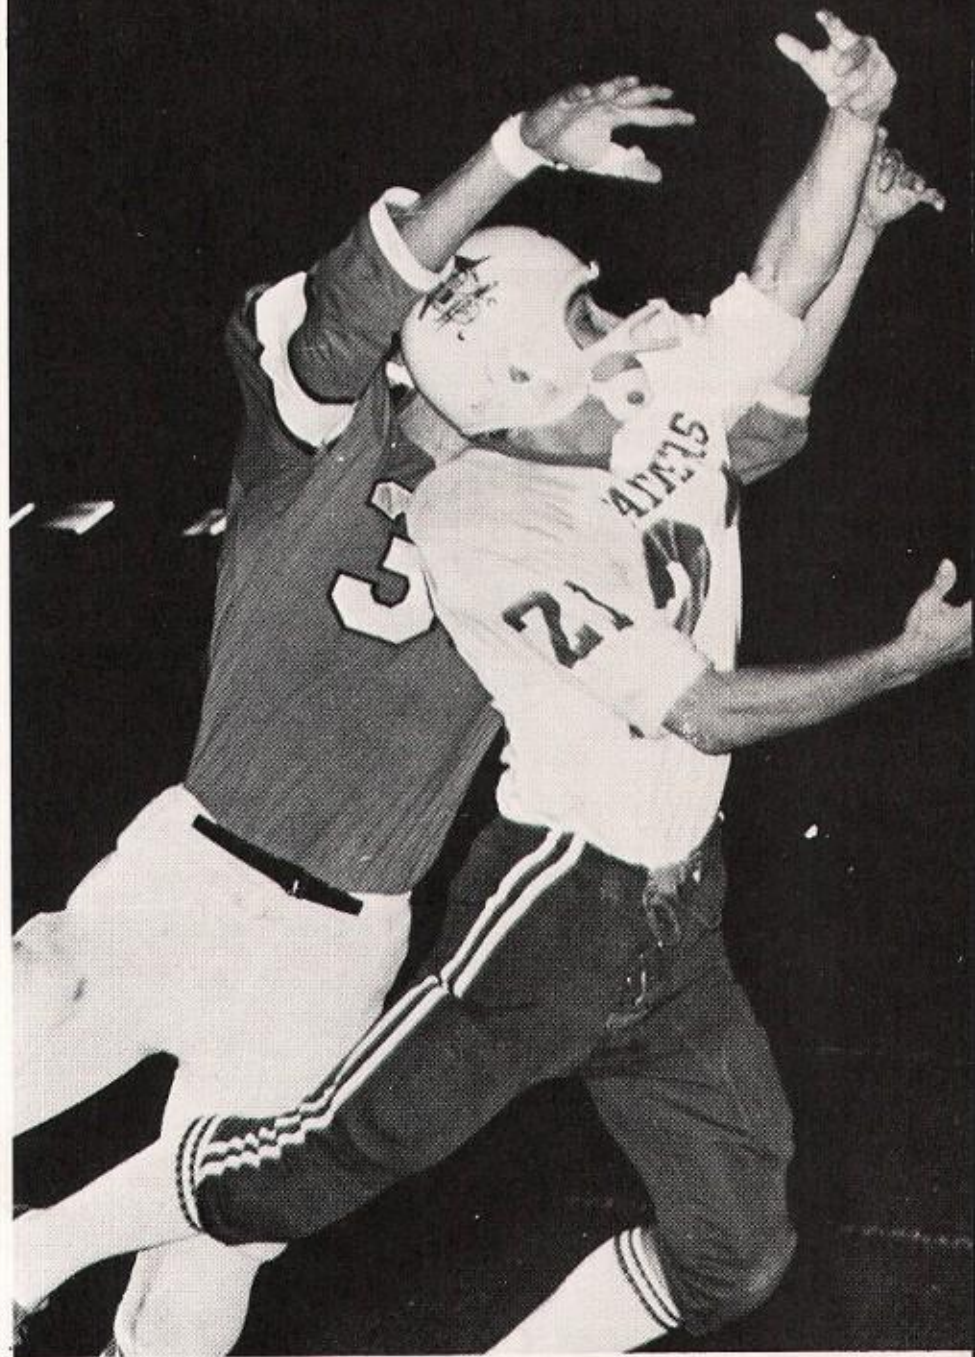

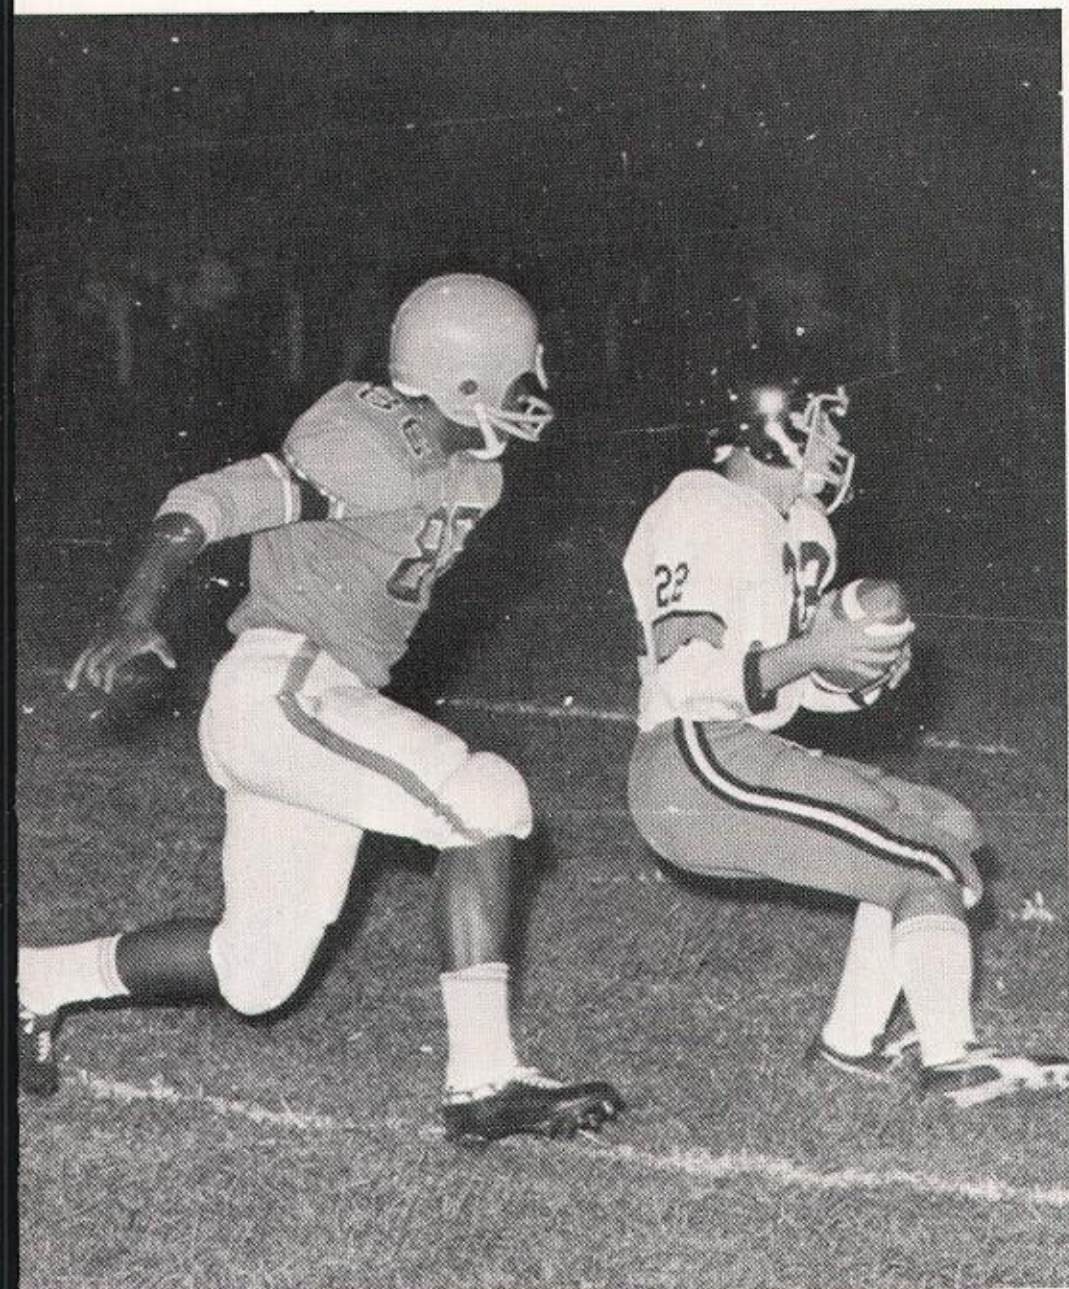

Of the three year lettermen, all league, and district linebackers, senior Bob Tier, was the hub of the offense. Seniors Rick Orange, Rick Dennison, Geoff Edick, Bob Stull, Doug Lauer, and Denny Grubaugh lent experience to the defense and line play. Junior Roger Frye, Mark Leon-

ard, and Mark Deakins also supplied good defensive line work. Sophomores to watch defensively are Joe Bernicken, Rick Scott, and Mike McGough.

The outlook in Mount Vernon Football appears bright with a great deal of returning lettermen, and a fine freshman team (5-2) coming up.

FRESHMEN POST

5-2 SEASON

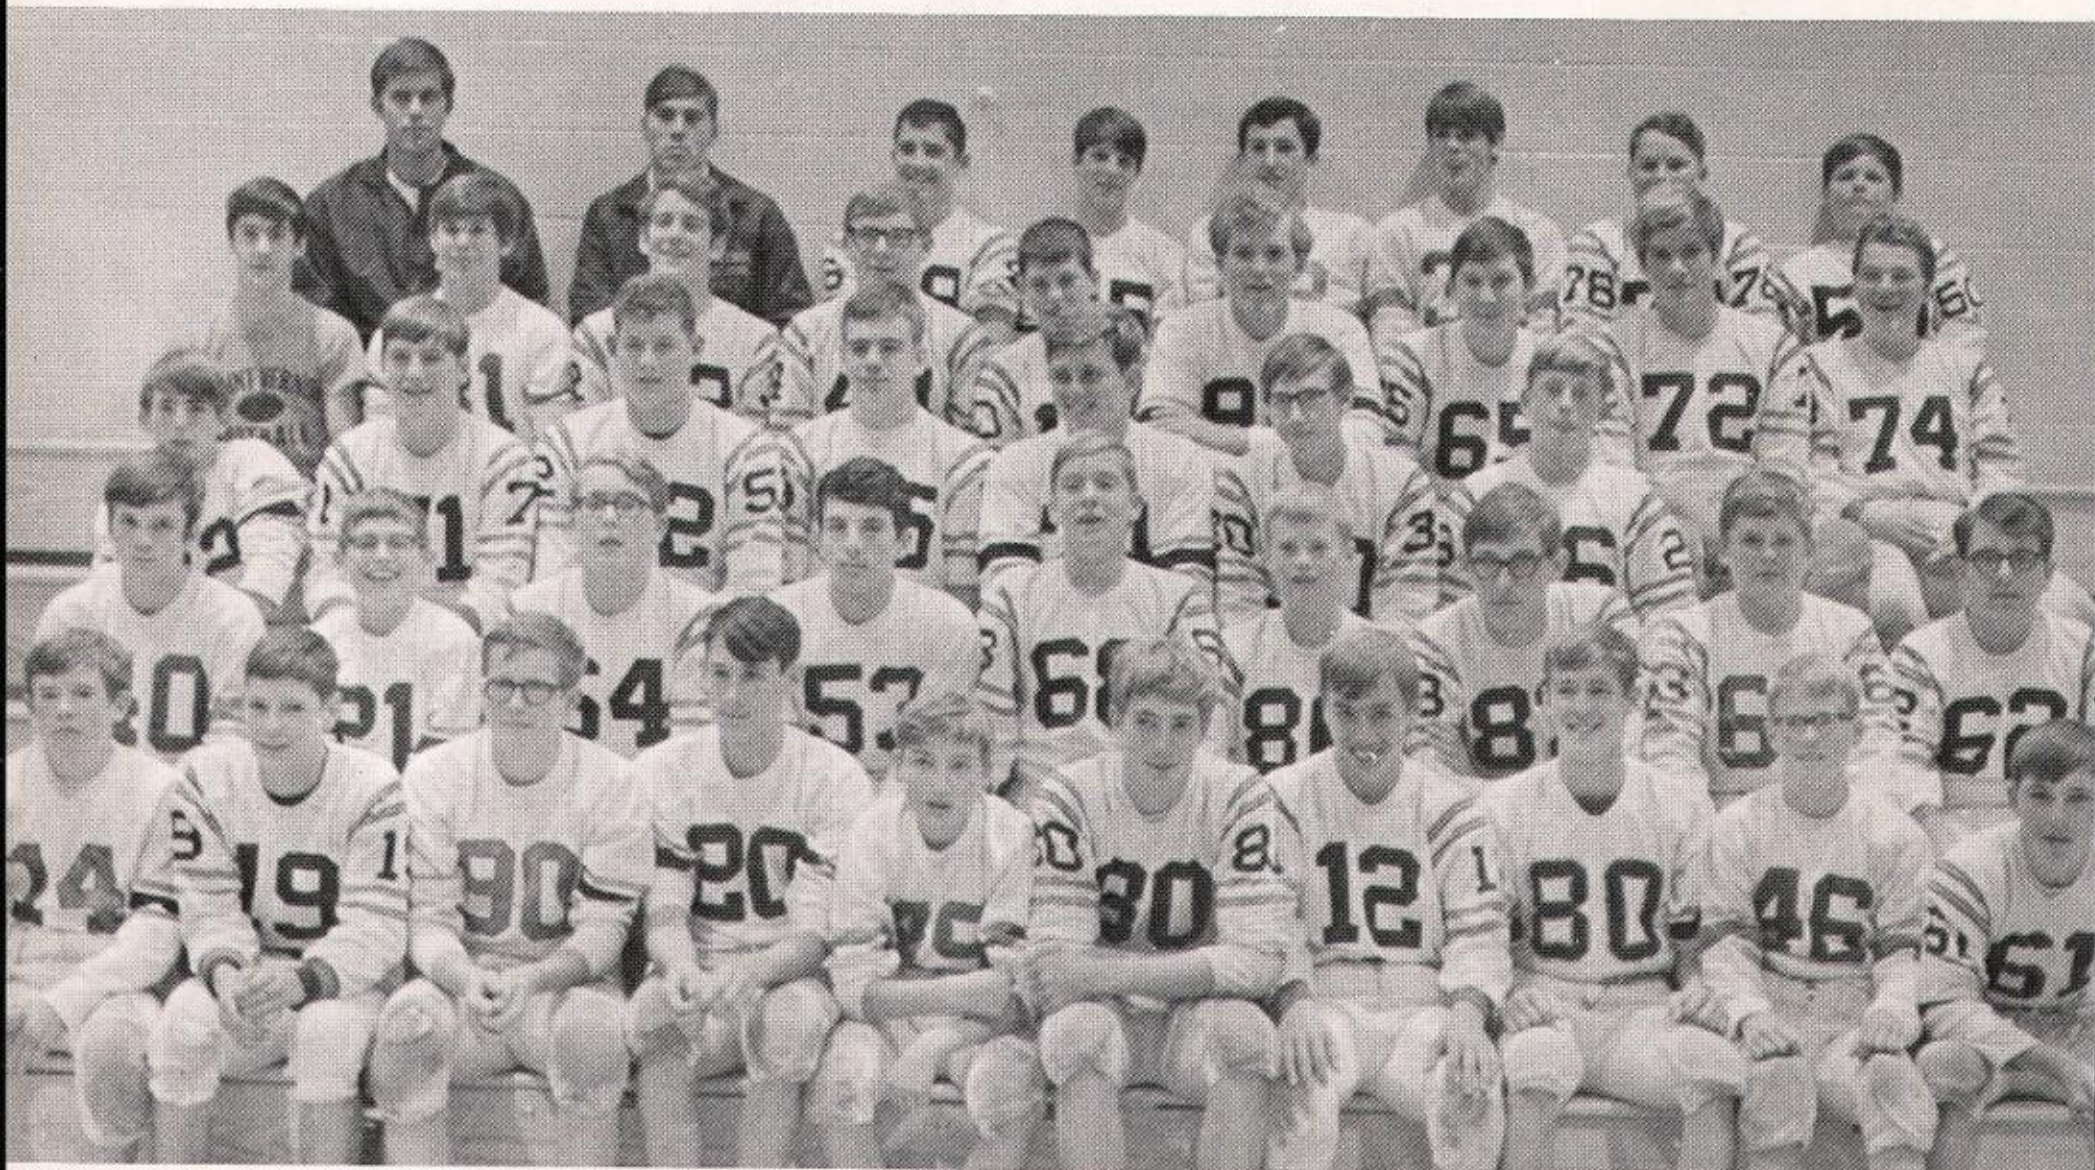

Coach Ron Lucas gives instructions to Bill Hiller.

After soundly defeating their first five opponents; Delaware, Ashland, Westerville, Coshocton, and Fredricktown, the Honeybees, under the direction of Ron Lucas who succeeded Del Cornwell as coach of the Freshman team, lost their last two games; Mansfield Madison and Worthington, to give them a 5-2 record.

The Honeybees had the benefit of a very large line, exceptional for a Frosh team, and a very quick and co-ordinated backfield.

Lucas, with Assistant Coach Loren Phelps, tried to instill in his team a good attitude towards the game of football by giving them training in the fundamentals of the sport.

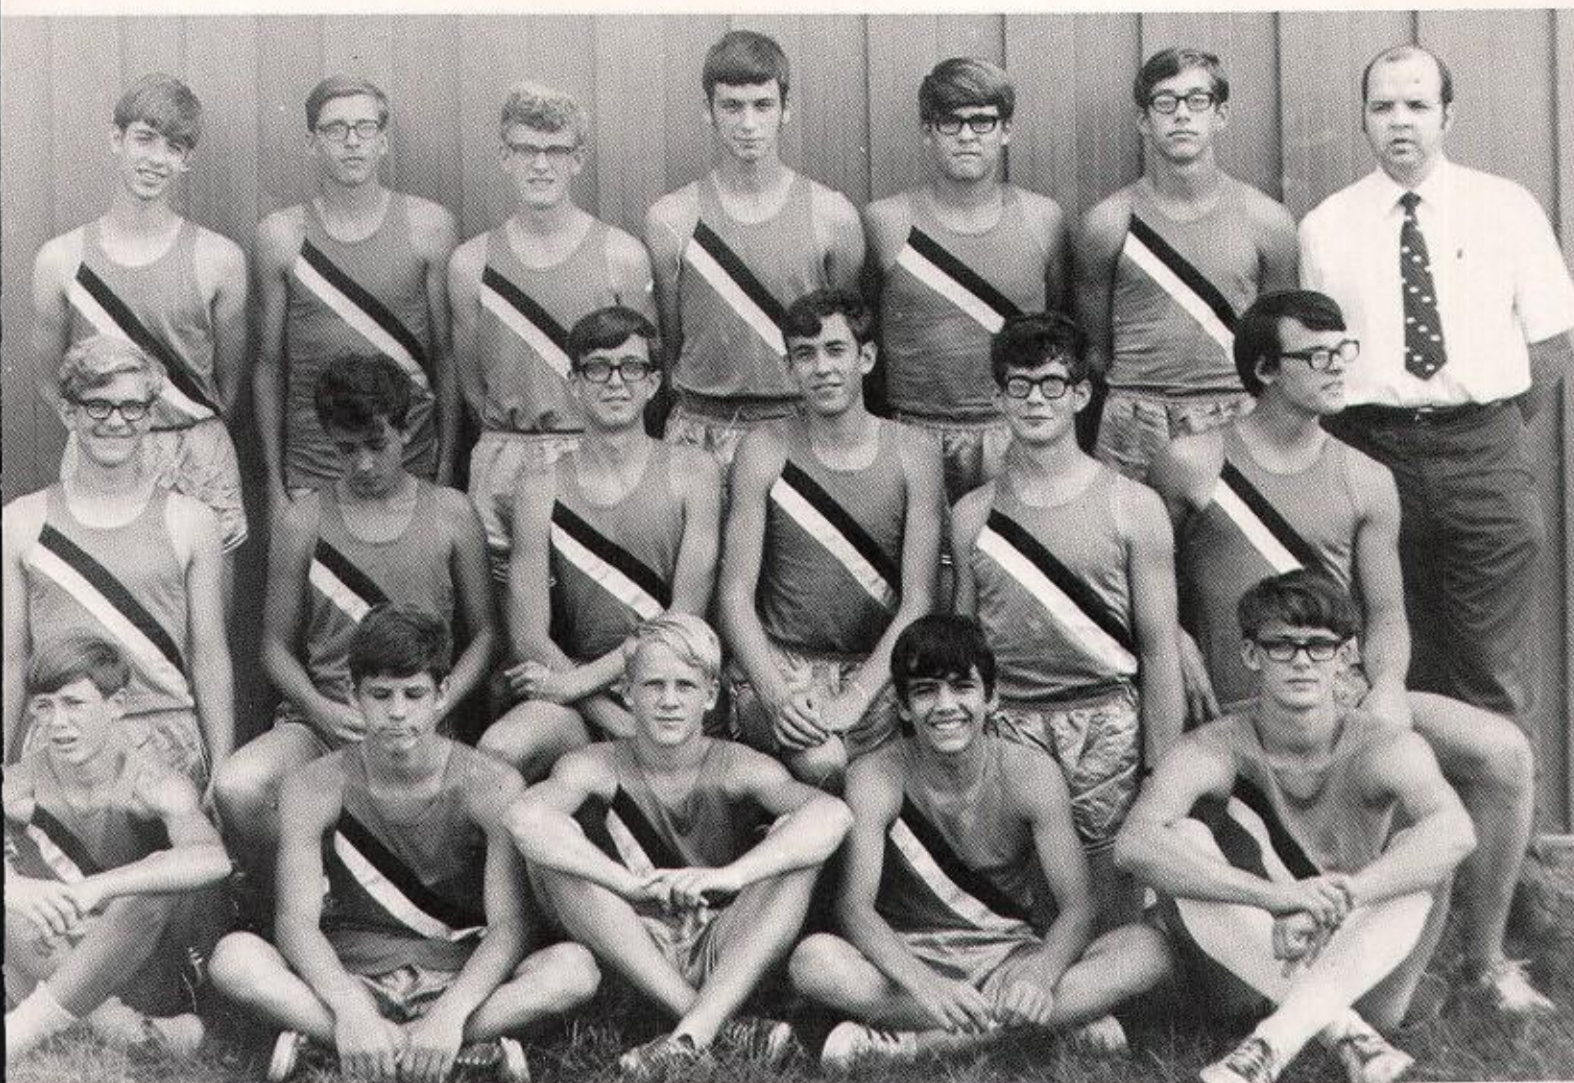

Row 1: Ernie Rousseau, Rick Doup, Doug Shrimplin, Jim Antil, Mike Lauphery, Doug Derousear, Yogi Whetsel, Doug Spearman, Kent Gruelle, Dan Carson. CROSS-COUNTRY TEAM IN REBUILDING YEAR

New coach, Noah Hinton, attempted a start at rebuilding the fortunes of the Cross Country program this year. The Jackets had only two returning lettermen in Seniors, John Sperry and Tom Harris. The only victory was a defeat of Watkins Memorial. John Sperry became Mount Vernon's first three year letterman in Cross Country and had a best time for the team this year of 11:26 in the league meet at Westerville.
